Nisha Rao

Data Analyst Intern

nisha.rao@example.com | +91-90000-10002 | Mysuru, India

PROFILE

Analytical undergraduate with experience cleaning datasets, writing SQL queries, and creating clear visual reports. Interested in using data to support practical business decisions.

EDUCATION

B.Sc. Statistics, Western Lakes University | 2023–2026 | CGPA: 8.7/10

TECHNICAL SKILLS

Python, SQL, Excel • Pandas, NumPy, Matplotlib • Power BI basics • Statistics, data cleaning, exploratory analysis

PROJECTS

Retail Sales Analysis — Analyzed a fictional retail dataset with Python and SQL. Identified monthly sales patterns, high-performing categories, and repeat-customer trends.

Student Performance Dashboard — Designed a Power BI dashboard to summarize attendance and assessment scores for a sample student dataset.

EXPERIENCE

Data Intern, InsightSpring (Academic Internship) | May 2025–Jul 2025

Cleaned spreadsheet data, documented data-quality issues, and prepared weekly charts for review.
